

CARE TECHNICAL SERVICES LLC Profile

WELCOME MESSAGE

V CARE specializes in comprehensive technical, electromechanical, and building maintenance services, supporting residential, commercial, and industrial clients across the UAE. With a diversified scope of licensed activities and an experienced management team, the company delivers integrated solutions covering MEP works, interior fit-outs, maintenance, and cleaning services.

The company is headquartered in Dubai and is structured to undertake both standalone service contracts and multi-disciplinary projects, ensuring reliability, safety, and quality execution at every stage.

VISION

To become a trusted technical services provider in the UAE by consistently delivering dependable, cost-effective, and well-managed engineering and maintenance solutions, while maintaining strong governance, professional ethics, and operational excellence.

CORE VALUES

- **Quality & Compliance:** Commitment to delivering services aligned with approved specifications, safety standards, and UAE regulations.
- **Integrity:** Transparent dealings with clients, suppliers, and partners, ensuring trust and accountability.
- **Reliability:** Consistent execution of projects within agreed timelines and scopes.
- **Customer Focus:** Understanding client needs and providing practical, value-driven solutions.
